

Car Parking Arrangements

For at the Unite Building (formerly Transport House)

1 Cathedral Road, Cardiff CF11 9SD; Tel: 02920 237303

Please be aware: There are no visitor parking facilities at the Unite Building.

Unite have very limited Disabled Parking Spaces for all building users (map image 5). Although they would like to keep these primarily for wheelchair users, please contact us to see if we can book a space if you are a blue badge holder. These spaces are allocated on a first come first served basis and will need to be requested at least 7 days in advance of your visit.

You will need to provide your car details: colour, make, model and registration number in order to gain access through the electronic gates. The building entrance will be either through the front door or via the underground car park. A member of staff can assist you, so please let us know that you **have arrived** by telephoning 02920 237303.

The nearest pay 'n' display car park is just a short distance away

Sophia Gardens Car Park (Paying). (See Map on Reverse) To reach this:

On Cowbridge Road East, with The Unite Building (1) directly on your left hand side, take a left at the Traffic Lights (the former Westgate Pub is diagonally opposite on these lights).

Go up Cathedral Road a short distance to the next set of lights(2) and take a right .

(Parking costs are eg: £3.70 for up to 2 hours, £5.80 for 7 hours) – at time of preparation. Just a hundred yards down the road is the main car park entrance on your right (3) .

It is highly recommended that you park your car as far down from the main entrance as is possible and then walk further down to the exit – city centre side and near a little bungalow (4) . This brings you out to the **main road** to Cardiff city centre, near the river bridge and the Castle.

On reaching this **main road** (Cowbridge Road East) turn right, down to the traffic lights (5) and you have done a full circle and are back on Cathedral Road with the Unite Building in front of you .

Cross carefully at the traffic lights and come in through The Unite Building's main entrance. A disabled lift will take you up just one floor onto the landing and the meeting rooms are around to your left through the double doors. (If you think you may need help, the Receptionist on the front desk will assist you.) Continue down the corridor to the glass fronted meeting rooms.

Free Car Parking:

There is some free street parking a modest distance from The Unite Building. This is on Wellington Street and the roads off it, (Canton end of The Unite Building) and at the middle/top of Cathedral Road – a couple of hundred yards away. Please observe parking signs for full details.

Please allow sufficient time for parking + accessing the building.
